

# DANMED IF I DO

Damned if I do...

Damned if I don't x2

Don't tell me what to do

I don't like being told things

I make up my own mind

Confused by the response it brings

Damned if I do

Damned if I don't x4

Don't ever touch me there

You don't have that right

You left me alone too long

I don't think I'll ever be right

Damned if I do

Damned if I don't x8
